Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.323.

Respecting the alleged error your request has been Approved-in-part. The amendment to the sequence in Column 20, lines 58-59, has not been entered. It is not readily apparent that the sequence was missing a nucleotide; accordingly, the change is new matter, and has not been entered.

A Certificate of Correction will be issued to correct the remaining errors noted in your request.
